Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 14 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning increasingly warm through this period.

This Evening and Tonight:
A fine and dry evening and night with light winds and long clear spells developing across the region. A mild night though slightly cooler in western parts. Minimum temperature 11 deg C (52 deg F).

Thursday:
Turning rather cloudy for a time during Thursday morning before the cloud breaks to give some warm sunshine by the afternoon. Cooler in Kent. Maximum temperature 24 deg C (75 deg F).

Outlook for Friday to Sunday:
Remaining fine and dry with light winds and long spells of strong sunshine. Early mist possible each morning. Feeling increasingly warm, or even hot by Sunday. Cooler near coasts.
